CONFIDENTIAL

SERIAL PDNYF 057365

17 Battery Place, New York, N.Y.

7 September 1945.

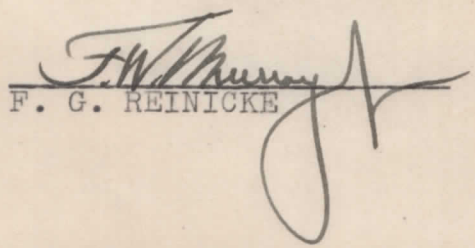

From: The Port Director, Third Naval District.  
To: The Chief of Naval Operations.  
Subj: Maintenance Voyage Report SS ABANGAREZ.

1. Forwarded.

2. Upon request of the Port Director, through W.S.A., item 2 of Par.(g) was referred to Todd Shipyard Brooklyn. After two inspections and two reports to W.S.A., the contractor still had not received this order from W.S.A. Port Director believes work was not completed before sailing although final inspection could not be made. The 4"50 firing keys have been supplied.

3. Inspection of armament aboard this vessel showed it to be in very good condition and proper maintenance is being carried out.

4. Supplies referred to in Par.(h) have been delivered.
