Subj: Elliott Bay: Oil Pollution of by SS ADMIRAL MAYO, 2 November, 1946.

Gentlemen:

In accordance with the established procedure in the handling of oil pollution cases, forwarded herewith is an investigative report into the circumstances surrounding the pollution of Elliott Bay, on or about 2 November, by the SS ADMIRAL MAYO, presently being operated by the U.S. Army Transportation Service. Pursuant to Coast Guard Headquarters' directives, no recommendations with respect to the action to be taken will be made. It is requested however, that this office be advised of the final disposition of this case.
