CONFIDENTIAL

MEMORANDUM FOR THE CHAIRMAN OF THE CREW DISCIPLINARY COMMITTEE,  
WAR SHIPPING ADMINISTRATION.

Information has been received by the Coast Guard from a reliable source relevant to the conduct of Ioannis Giourgas, 2nd Officer aboard the Panamanian vessel SS ATLANTIC. Giourgas is reported to have been, in January, 1943, abusive and insulting to officers on his vessel, and is suspected, moreover, of having smuggled dope on board.

No action will be taken in this case due to the fact that this vessel is of Panamanian register.

Commander USCG
