

Office Memorandum • UNITED STATES GOVERNMENT

TO : Commandant
FROM : Chief, Office of Operations
SUBJECT: SS COLONEL FREDERICK C. JOHNSON

DATE: 5 January, 1948

Captain Eskridge reported conditions at Norfolk same. The time of the vessel at the shipyard is due to be up when a mast is installed. Rumored only that vessel's Chief Engineer (name unknown but active in other matters than engineering) has been in Washington for past week trying to get change of flag put through.
