

CONFIDENTIAL *ruoy**Office Memorandum* • UNITED STATES GOVERNMENT

TO : Commandant

FROM : Chief, Office of Operations

SUBJECT: SS COLONEL FREDERICK C. JOHNSON

DATE: 26 November, 1947

1. Commodore Whitbeck reported nothing really new on ship. Unconfirmed rumor that she will have to leave shipyard by 1 December in order to make room at shipyard. Has a lot of work to do before leaving yard, such as taking on ballast (on dock), stores, etc.
2. Still has no master so shift would probably be made by tug.
3. Still rumored she will go to Army dock, a section of which is under private lease.
