ties between  
Bonneville dams, and development  
of South Carolina's potential power  
sources.

"The T. V. A. has demonstrated  
that public power can be produced  
cheaper than any private concern  
has ever done. Had we neglected  
T. V. A. completely we would not  
be making even the headway in  
production that we are making,"  
Norris said.

### Lloyd Brasileiro Takes Over Italian Liner Conte Grande

RIO DEJANEIRO, Jan. 21 (UP).

The Lloyd Brasileiro Steamship  
Co. announced today it was taking  
over the 23,861-ton Italian liner  
Conte Grande, which has been in  
the port of Santos since Italy's en-  
trance in the war.

The vessel will be taken over for  
the duration of the war, in con-  
formity with an offer made early  
last month to the Brazilian Govern-  
ment by the Italian Embassy here,  
granting Brazil wartime use of all  
idle Italian shipping in Brazilian  
ports.
