LICENSE

The vessel described above is hereby authorized to operate for the purpose and on the waters described in the application from the date indicated below until FURTHER NOTICE
(Date of expiration)

with the following exceptions: FOR OPERATION DURING DAYLIGHT HOURS ONLY

~~Every person on board must carry a Coast Guard Identification Card. The Master is held responsible for everyone on board. Firearms and cameras are forbidden. Do not allow enemy aliens on board. Do not operate within 100 feet of any Navy Yard, shipyard, warehouse or freight pier unless on legitimate business. This license is void upon any change of owner, master, occupation or departure from above specified waters. Report any suspicious activity to the Coast Guard.~~

This license is issued pursuant to section 6 of the regulations for the control of vessels in the territorial waters of the United States, prescribed by the Secretary of the Treasury with the approval of the President, and is subject to revocation pursuant to the provisions of said regulations. The issuance of this license does not in any manner relieve the vessel, or its owner, master, or operator from compliance with the provisions of any other applicable laws and regulations.

INSTRUCTIONS

1. This form shall be prepared when application is made to operate any vessel in the territorial waters of the United States or to depart therefrom. The original and one copy shall be submitted to the Captain of the Port. If the Captain of the Port grants a license for such operation, he will execute the lower portion of the form and return the original thereof to the applicant. The copy shall be retained in the files of the Captain of the Port.
2. The license granted for the operation of a vessel in the territorial waters of the United States or to depart therefrom is required to be on board at all times while the vessel is being so operated.
