

CONFIDENTIAL

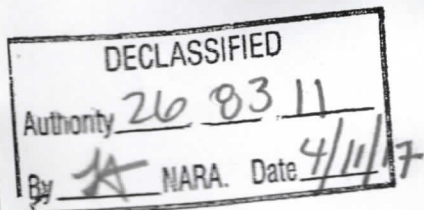

2 July 1942

Lt. Comdr. F. E. Pollio.

Supplementing paragraph C of the memorandum of 1 July 1942 concerning crew trouble aboard the SS FARIDA at Pensacola, Florida, it has been ascertained that Ernest KALLAS was the master at the time of the incident; Vaino KARTANO was the chief engineer who led the demands against the master; Viana KIRPPU is the crew member who jumped overboard but was later returned to the ship at New Orleans.
