REC'D APR 24 1941

ANS'D

V-129

From: Commandant.
 To: Commander, Boston District.
 Subject: Sealing of radio apparatus on non-belligerent vessels.
 Reference: (a) Sealing Report, Panamanian SS I. C. WHITE, dated 22 March, 1941.

1. Headquarters desires that a report be submitted, by letter, stating the reason for sealing the radio apparatus on the Panamanian Tanker I. C. WHITE. If the radio apparatus on this vessel was sealed because of a charter to a belligerent government, your report should state the type and duration of the charter as well as the identities of the parties thereto.

By direction.

2nd. Indorsement

By direction.
 Newport, Rhode Island
 22 April, 1941

From: Captain of the Port, Newport, R.I.
 To: Commander, Boston District.

1. A Captain of the Port's office had not been established in Newport on the 22 March, 1941.

2. Chief Boatswain Johnson, Commanding Officer of NEWPORT STATION

who was acting for the Captain of the Port at that time, states that the officer-in-charge of the C.G. 211, was under the impression that radios on all foreign vessels were to be sealed. Proper instructions have since been issued to the officers-in-charge of the boats engaged in this duty.
