

(INT)  
CG-781

20 March, 1944

To: Commanding Officer, MAYFLOWER

Subj: MORTON, Fred Emmett, Lt. Commander USCGR; fingerprints of

1. It is requested that the fingerprints of the Subject as well as all required data, be completed on the inclosed Form 2515.

2. The fingerprints forwarded to HQ on 14 March, 1944 were too poor for classification. If fingerprinting facilities are not available aboard ship, it is suggested that new fingerprints be taken by a COTF or other Coast Guard unit at the earliest practicable date.
