COPY

9 December, 1939.

Collector of Customs,
Custom House,
Philadelphia, Pa.

Sir:

In compliance with your request, the merchant vessel MONT EVEREST
(French) was inspected this date and her armament found to be as
follows:

Guns: Two 90 m. m. mounted aft on poop; starboard and port.

Ammunition: 96 H. E. shells; 90 charges; 96 primers.

Rifles: None

Ammunition: None

Magazine: Stowed in lockers on poop deck.

Fire control and communication: None

Gun crews: Regular ship's crew (Europeans).

Remarks: 16 smoke floats.

It is my opinion this equipment can be used for defense purposes only,
provided the vessel performs her normal trade only.
