Gentlemen:

This will refer to your letters of June 22 and June 26 asking for information about the vessels mentioned below.

The SS CHARLES W. ELIOT during the period from August 1943 to March 1944 was owned by the War Shipping Administration and was operated by Sprague Steamship Company as general agent for the Administration under a general agency agreement, copy of which is enclosed.

The SS THOMAS DONALDSON during the period from March to June 1944 was owned by the War Shipping Administration and was operated by American Export Lines as general agent for the Administration under a general agency agreement, copy of which is enclosed.

In order to facilitate matters, it is suggested that letters of this nature be addressed to the attention of the undersigned.

Very truly yours,

(Signed) T. J. Krener
