MC NO. 1357

According to letters received from Mr. T. J. Krener, Manager of the Charters and Agencies Section of the Division of Operations, War Shipping Administration, dated January 3 and 4, the three above named vessels have been allocated to us under Service Agreement, form GAA (Contract 203), dated May 5, 1941, for operation as directed by the War Shipping Administration.

We wish to quote below paragraph from Mr. Krener's letters, pertaining to marine P and I insurance on these vessels:

"Marine P & I insurance should be placed by your company in accordance with insurance instructions #2 effective as of the time that the first member of the vessel personnel is placed aboard."

In accordance with the above, will you kindly arrange for marine P and I insurance on these three vessels in the usual manner.

Yours very truly,
United States of America
War Shipping Administration
