

RECOMMENDATIONS

WILLIAM CLARK (11-4-42)

Wm. James Barber, Clk-Typist

Rubber Suits - How do you like the rubber suits? I think they are instrumental in saving our lives

Richard E. Holland, Deck Cadet

Rubber Suits - Is there anything else you could tell us that you have in your mind as to any improvement in the line of life-saving equipment on the vessel you were on? They could have some lining in the boots because when we were hit, we put them on and circulation stops.
